Dear Dr. Henney,

'99

Today I heard that a new petition is being considered to ban the use of medically useful antibiotics currently used as growth promoters. You have my full support to go forward with this ban.

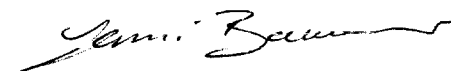

4 11 5 5 11 35 21 35

More and more diseases are becoming unable to treat because the bacteria has become resistant to antibiotics.

P 1:49

Please let me know if there is anything I can do to help.

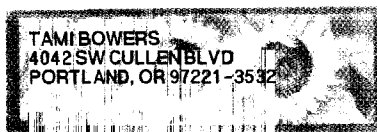

Respectfully,

Tami Bowers
